

Why Switch from ComEd?

■ Get the Facts ■ Take Control ■ Switch to mc² & Save!

Get the Facts

Deregulation has opened up the Illinois market.

- ✓ You can choose who provides the supply portion of your electricity service.
- ✓ ComEd continues to deliver electricity to all customers.
- ✓ ComEd continues to be responsible for the wires, poles, and all emergencies, including outage restoration, regardless of your supplier choice.
- ✓ Your bill will still come from ComEd and the mc² electricity supply charges are included on the ComEd bill.
- ✓ ComEd **must** treat all customers equally, regardless of their choice of service provider.

Take Control

- ✓ Research your options -
 - mc² offers a fixed price for 12 or 24 months.
 - mc² offers a 100% Green Option.
- ✓ Choose your supplier – mc² is certified by the Illinois Commerce Commission and ComEd, serving thousands of customers in Illinois.
- ✓ Compare mc² **custom prices** to ComEd rates – see your savings.
